

Kevin Buettner, PhD, CRNA, will receive the Program Director of the Year Award during the AANA Annual Congress, September 23, 2018 in Boston, MA.

The Program Director of the Year Award, established in 1991, is presented to a CRNA who has made significant contribution as a program director to the educational process of student registered nurse anesthetists. The award recognizes the commitment of individuals to the profession of nurse anesthesia and to the advancement of educational standards that further the art and science of anesthesia and result in high-quality patient care.
